Vighnahar S.S.K.Ltd. ...Petitioner.

Vs.

Khandu Hiraman Chatur. ...Respondent.

.....

Mr.R.G.Ketkar for the Petitioner.

.....

CORAM : DR.D.Y.CHANDRACHUD, J.

July 14, 2006.

P.C. :

The Labour Court has given sufficient ground for condoning the delay. The delay was satisfactorily explained. Hence, no case is made out for interference with the revisional order of the Industrial Court, confirming the order of the Labour Court. Moreover, it would always be open to the Court at the final hearing to modulate the relief, if any, having regard to all the circumstances of the case including the delay, if any, in moving the Court. The Petition is dismissed.
